

CRESCENDO MUSIC

Welcome to the Crescendo Music Program 2018-2019!

I am excited about this academic year of exploring and discovering more of God's joyful gift of music to the world! Having taught private lessons to students for 35 years, I am still in love with imparting this gift to others. Private and/or group classes in vocal and piano/keyboard instruction will be offered in weekly or bi-weekly sessions. Piano/Keyboard students will learn music theory (the written ABC's of reading music) and how to apply it when playing this awesome instrument. The vocal students will experience learning the basic techniques, as well as specialized training for various styles of music. Students will participate in "A Christmas Gift of Music" concert in December (date TBA) to celebrate their musical gifts with others.

Sincerely Yours,

Dr. Dianna Vinscavich (304) 550-6780
